## Kress Robotic Lawnmowers Now Available at ISE Forest & Garden Kilkenny and Mower.ie

Experience the Future of Lawn Care – Kress Robotic Mowers Launch at ISE Forest & Garden  
ISE Forest & Garden, Unit 6 Hebron Industrial Estate, Kilkenny and Mower.ie are delighted to announce the official launch of **Kress Robotic Lawnmowers** – the premium choice in autonomous lawn care, now available both in-store and online.

As the market leader in **garden and forest equipment supply**, ISE Forest & Garden is proud to bring this innovative and intelligent lawn care solution to homeowners and professionals in Kilkenny City and surrounding environs.

### Why Choose Kress?

---

**Premium Performance:** Kress stands at the top of the robotic mower category with industry-leading technology, reliability, and efficiency.

**Cloud-Based Smart Mapping:** Kress mowers store your garden layout in the cloud, allowing for seamless activation of replacement machines during warranty or service – no reprogramming needed.

**Boundary-Free Operation:** Advanced navigation and RTK technology eliminate the need for perimeter wires, ensuring precision and flexibility.

**Zero Emissions & Ultra Quiet:** Eco-friendly mowing that fits modern lifestyles and environmental values.

**Excellent After-Sales Support:** Kress products come with comprehensive warranties and responsive support, ensuring peace of mind well beyond the point of purchase.

### Professional Installation – Done Right

---

At ISE Forest & Garden Kilkenny, we offer **qualified and professional installation services** for Kress robotic mowers in the Kilkenny region. Our team ensures your mower is set up and operating at peak performance, tailored to your unique lawn layout.

Replacement blades for Kress robotic mowers are also available on Mower.ie, ensuring uninterrupted operation and precision.

Order now at Mower.ie or visit us in-store to experience Kress firsthand.
